## **Mobile Carts**

*Built with Quality for  
Versatility & Durability*

---

### *features*

---

- 3" heavy-duty easy rolling, ball bearing rubber wheels.
- Top and shelves made of wood core, faced with rigid, mar-resistant, heat-resistant, non-conductive tempered hard board, or plastic laminate.
- Edge protected by resilient plastic T-moulding.
- Corners radiused.
- Legs and braces made of 1" heavy gauge, steel tubing- no chipping or rusting. Stays attractive under hard use.
- Optional 4" heavy-duty rubber wheels as well as locking wheels.

***All carts are shipped boxed and ready-to-assemble  
and individually packed in flat reshippable cartons.***
